Sadly, some countries still kill whales to sell whale meat for profit – a very expensive luxury for some people. In the old days of whaling, the sailors hunted whales from sail ships and rowing boats. They chased the whales and threw hand-thrown spears called harpoons at them. However, during the late 1800s, steam powered ships replaced the ...

When they kill whales, hunters invoke the Buddha and pray for the repose of whales' souls; they held funerals for whales, built cenotaphs for them, gave posthumous Buddhist names to them, and when a dead fetus is removed from a butchered cow, an effort is made to release it into the sea. These practices are intended to encourage emotionally healthy or spiritual relationships with whales, and are connected with Japanese religious beliefs.
