" Whats Happening to Me? " I bought this for my daughter when she was age 9, it was a great book to start the discussion of how and why her body is changing, it was so easy to read and understand. I have recommended it to many friends who are also looking for a book to bring up the subject but felt that many other books on the market go into far too much depth for a child of this age.

"What's Happening to Me?" A Guide to Puberty by Peter Mayle

" Whats happening to me " This book is fantastic. I got this for my son who was 10 at the time as my husband is in the military and very often away. I wanted something that he could refer to if he was too embarrassed to ask me and I didn't want him to learn stuff from 'playground' talk. As a mum, I would highly recommend this and am buying ...

A guide to puberty for girls covers the physical and emotional changes and describes the necessary hygiene routines.

For more than twenty years, the internationally bestselling team behind Where Did I Come From? has helped millions of parents and children talk about the facts of life in a straightforward yet lighthearted way that is respectful of young people 's natural intelligence. Warmly and relatably illustrated throughout, What 's Happening to Me? creates a safe space where families can talk about the physical and emotional changes that happen during puberty and adolescence, answering the questions that kids ask most often. Why is my chest getting bumpy? What's a wet dream? What's a period? Why is my voice acting so funny? Why do I get pimples? What's an erection? Why am I getting hairy? Why is mine not like his? This book answers the big questions, and explains the big changes. One look at the illustrations will tell you that this is not a dull medical textbook but rather it presents the facts of puberty, and it presents them with honesty, sympathy and a sense of humor. If you 've been wondering how to have this talk with your children, look no further for a trusted resource that will give you the tools you need to share this critical information sensitively and factually. " You can't deny Mayle's talent for translating adult experience into child-level concepts. " —Kirkus Reviews

Discusses the mental and physical changes in girls that take place during puberty.

Growing up is a whole lot easier if you have some idea what to expect. This book describes exactly what will happen to your body in a straightforward, easy-to-understand way, and it explains some of your feelings too - all you need to know for this important time in your life. This is a highly illustrated ebook that can only be read on the Kindle Fire or other tablet. "Look no further: the What's Happening to Me? books are nothing short of brilliant. They aim to help children aged nine and above understand bodily changes and they do this extremely well... Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns.Adolescent boys will find this book answers a lot of their questions and help them to worry less about the changes taking over their bodies. Reading these books will help young people to become more self-assured and feel more comfortable talking about their concerns. " - John Dabell, TES Magazine
