The Only Grammar Book You'll Ever Need is the ideal resource for everyone who wants to produce writing that is clear, concise, and grammatically excellent. Whether you're creating perfect professional documents, spectacular school papers, or effective personal letters, you'll find this handbook indispensable. From word choice to punctuation to organization, English teacher Susan Thurman guides you through getting your thoughts on paper with polish. Using dozens of examples, The Only Grammar Book You'll Ever Need provides guidelines for: Understanding the parts of speech and elements of a sentence Avoiding the most common grammar and punctuation mistakes Using correct punctuating in every sentence Writing clearly and directly Approaching writing projects, whether big or small Easy to follow and authoritative, The Only Grammar Book You'll Ever Need provides all the necessary tools to make you successful with every type of written expression.

Veteran editor Don McNair lays out an easy-to-follow and systematic method for clearing up foggy writing--writing that's full of extra, misused, and overused words--in this guide to producing sparkling copy that attracts readers, agents, editors, and sales. McNair explains the common mistakes made by most writers and shows how eliminating unnecessary words strengthens action, shorten sentences, and makes writing crackle with life. Containing 21

simple, straightforward principles, ""Editor-Proof Your Writing"" teaches how to edit weak verb forms, strip away author intrusions, ban redundancies, eliminate foggy phrases, correct passive-voice sentences, slash misused and overused words, and fix other writing mistakes. A superb addition to any writer's toolkit, this book will not only make writing clearer and more grammatical, it will also make it more concise, entertaining, and appealing to publishers.

This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

The complete guide to self-editing, illustrating the most common problems with hundreds of before-and-after examples

NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

A user-friendly reference guide plus workbook containing the most important rules of English grammar, punctuation, capitalization, and writing numbers that people need every day. Full of helpful, real-world examples, exercises, tests, and answers. Perfect for business professionals, professors, teachers, students, and home schooling families, The Blue Book of Grammar and Punctuation is used in hundreds of universities, high schools, middle schools and corporations through the United States as well as in developing nations. Take an online quiz, get editing help, order the book, join the Q&A club, read Jane Straus's articles, or register for her monthly newsletter.

*New York Times Bestseller * One of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In DO I MAKE MYSELF CLEAR?, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more--more speed and more information but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. DO I MAKE MYSELF CLEAR? is an essential text, and one that will provide every writer an editor at his shoulder.
