You Gotta Have Wa is a comparative study of the cultural differences between American and Japanese baseball. These differences are just in the style of play but also the role baseball plays in the wider culture of these 2 countries. There's lots of history about when these 2 cultures inevitably meet on the field.

~~You Gotta Have Wa by Robert Whiting - Goodreads~~

Robert Whiting is the author of You Gotta Have Wa and is one of the very few Westerners to write a regular column in the Japanese press. He has appeared as a commentator in documentaries about Japan and on such shows as Larry King Live and The MacNeil-Lehrer Newshour. Some 15 years ago, in the bestseller "You Gotta Have Wa," Robert Whiting examined how former American major league ballplayers tried to cope with a different culture while playing pro ball in Japan. Now, Whiting reverses his field and reveals how select Japanese stars have come across the Pacific to play in the big leagues.

Looks at the history, rituals, fans, and teams of Japanese professional baseball, and describes what it reveals about Japanese culture and Japanese-U.S. relations

A provocative study of the role of Americans in the growth and development of the Tokyo underworld since the end of World War II examines the powerful alliances among crime bosses, corporate leaders, politicians, and public figures. Reprint. 12,500 first printing.

In November 1934 as the United States and Japan drifted toward war, a team of American League all-stars that included Babe Ruth, Lou Gehrig, Jimmie Foxx, future secret agent Moe Berg, and Connie Mack barnstormed across the Land of the Rising Sun. Hundreds of thousands of fans, many waving Japanese and American flags, welcomed the team with shouts of "Banzai! Banzai, Babe Ruth!" The all-stars stayed for a month, playing 18 games, spawning professional baseball in Japan, and spreading goodwill. Politicians on both sides of the Pacific hoped that the amity generated by the tour--and the two nations' shared love of the game--could help heal their growing political differences. But the Babe and baseball could not overcome Japan's growing nationalism, as a bloody coup d'état by young army officers and an assassination attempt by the ultranationalist War Gods Society jeopardized the tour's success. A tale of international intrigue, espionage, attempted murder, and, of course, baseball, *Banzai Babe Ruth* is the first detailed account of the doomed attempt to reconcile the United States and Japan through the 1934 All American baseball tour. Robert K. Fitts provides a wonderful story about baseball, nationalism, and American and Japanese cultural history.

In *Taking in a Game*, Joseph A. Reaves examines the development of baseball in Korea, the Philippines, Mainland China, and Taiwan, as well as the more widely known story of baseball in Japan. In this entertaining and informed account, Reaves covers everything from baseball in Qing Dynasty China in the nineteenth century to the 2000 Sydney Olympics bronze-medal match between Japan and Korea. Reaves guides the reader through a history of Asian baseball, the cultures that surround it, and the future of what has become a great Asian game.

Reveals how the study of Zen philosophy and the martial arts enabled Sadaharu Oh, Japan's greatest baseball star, to become the biggest home-run hitter of all time
